2. That students understand the urban context of ministry in today's world.
3. That students develop skills to do ministry and missions in an urban environment.
4. That the student will discover areas of strengths and weaknesses through the supervision process

Course Requirements

1. Once each student has completed the registration procedures, he or she will be automatically enrolled in the Blackboard portion of the course. The first thing each student should do is go through "Week 1: Getting Started" in the course Blackboard. This will explain course procedures. Week 1 must be completed by midnight on the Saturday after the class begins. All weekly units should be completed by Sat. midnight of each week. There will be a quiz for some weekly units. The quiz must be completed by the completion date of each weekly unit. The quizzes for the week will be available through midnight of each Saturday. Quizzes missed cannot be made up.
2. Students should proceed through the weekly modules in numerical order beginning with "Week 1: Getting Started." New weekly units will be released a few at a time so students should not expect to work ahead too far. All weekly units must be completed along with required readings. At the end of each section of a unit students will indicate completion of that section of the weekly unit by clicking on the "Reviewed" button. In summary, orderly completion of the weekly units (and the assignments in each unit) along with attention to the specific assignments given in this syllabus will keep the student on track for successful completion of the course.
3. Reading. There will be readings found in each most weekly units. The readings will be from some combination of readings from the textbook and other readings that will be available online. These readings will be essential to successful completion of the class.
4. Urban Ministry Selection. Students will select an urban ministry in which to do supervised ministry for ten to twelve weeks for at least four hours per week for a total of at least 65 hours. If the student works for 10 weeks then the weeks worked must average at least 6.5 hours. A week with less than 4 hours worked will not count in the number of required weeks worked. The

student should get approval from the instructor about the proposed urban ministry site BEFORE completing the project approval form. The instructor will give approval or suggest selecting an alternative ministry site. The student must have a qualified supervisor in order to work at a site.

5. Project Approval Form. Students will work with the supervisor in completing the project approval form (found at the end of this syllabus). This form should be turned in to the instructor by mail or digitally by Sept. 5. The student is to meet with the supervisor on a weekly basis.

6. Supervisor's Evaluation Form. After the required weeks of ministry have been completed the student should submit the evaluation form (found at the end of this syllabus) to the supervisor.

When the form is completed the supervisor should return it to the student. The student, after reviewing the form, should turn the form in to the instructor by mail or digitally by Dec. 12.

7. Weekly Journal. Students will record their ministry experiences and hours in each week's weekly journal. This journal will only be available to you and to the instructor. The form of reporting is shown in the first journal entry. This weekly journal will be in addition to a weekly ministry discussion thread. This journal is to record the basics of ministries performed, hours served, and reflections that will not be shared with classmates.

8. Weekly Ministry Discussion Assignment. Starting in Week 3 engage in this discussion to share insights, experiences, and reflections with your classmates and the instructor. Students are encouraged to engage in back and forth discussions with classmates in this forum.

9. Reflection Paper-Do a reflection paper (5-7 pages) on the ministry experience of the semester. Reflect on the challenges you faced as well as the fulfillment you gained by being involved in your selected ministry. Include a section on what you learned about yourself during this experience. Upload the reflection paper to the proper assignment section in Week 13 or 14, no later than Dec. 12.

10. Volunteer Experience- For students NOT SERVING AS A VOLUNTEER IN THEIR URBAN MINISTRY: Spend at least 5 hours serving in an urban environment (preferably in New Orleans, but can be in other locations) in volunteer service. Report on experience in the appropriate discussion forum in Week 12.

11. Evangelism Discussions- In your supervised ministry setting select two evangelistic encounters in which you share a gospel presentation (the encounters must have taken place during this semester). Prepare four to six paragraph discussion of each encounters and place the discussions in the appropriate discussion forums. The first discussion is due on in Week 7 and the second is due in Week 13.
