

Church Community Ministries CCSW6364

New Orleans Baptist Theological Seminary
Church and Community Ministries Division
Spring 2016

Mr. Kevin Brown

Associate Professor of Social Work
kbrown@nobts.edu 504-816-8305

The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill the Great Commission and the Great Commandments through the local church and its ministries.

Purpose of the Course

The purpose of this course is to prepare students to develop weekday programs for churches and faith-based community ministries based on the needs of the community as well as spiritual needs.

Core Value Focus

The course will emphasize the seminary's current core value focus assigned annually by the Administrative Council. For the 2015-2016 academic year, the core value is Mission Focus.

Doctrinal Integrity – Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. The doctrinal statements used in our evaluations are our Articles of Religious Belief and the Baptist Faith and Message Statement.

Spiritual Vitality – We are a worshiping community, with both personal spirituality and gathering together as a Seminary for the praise and adoration of God and instruction in His Word.

Mission Focus – We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Characteristic Excellence – What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership – We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

Curriculum Competency Addressed

This course will address the following curriculum competency:

Disciple making: This course will prepare the student to mobilize the church for missions, evangelism, discipleship, and applied ministry.

Course Description

Emphasis is placed on discovering needs of a community and developing programs to meet these needs as well as the spiritual needs of people. Attention is given to church and community surveys in addition to supervision and administration of weekday ministries.

Student Learning Outcomes

In order to serve churches effectively through Christian Education, the student, by the end of the course, should:

1. Be able to apply their knowledge and comprehension of church and community weekday ministries to meet community needs.

At a minimum, students should go to their placements at least 5 weeks during the semester; volunteering less than 5 weeks will result in at least one letter grade reduction. Please do not ask for special arrangements to accommodate your schedule.
- Students will complete a Ministry Assignment Contract (available on Blackboard) with their on-site supervisor. A copy of the contract should be submitted to the professor by **September 3**.
- Students will submit a 1 page midterm report on their ministry assignment on **October 8**.
