*The mission of New Orleans Baptist Theological Seminary is to equip leaders to fulfill
the Great Commission and the Great Commandments through the local church and its ministries.*

Purpose of Course

The purpose of this course is to equip the student with a framework for lifestyle development and career counseling. It also serves to prepare counseling students for licensing exams.

Our Core Values

The seminary has five core values. The core value focus for 2015-2016 is *Mission Focus*. This course supports the five core values of the seminary.

Doctrinal Integrity: Knowing that the Bible is the Word of God, we believe it, teach it, proclaim it, and submit to it. Our confessional commitments are outlined in the “Articles of Religious Belief” and the “Baptist Faith and Message 2000.”

Spiritual Vitality: We are a worshiping community emphasizing both personal spirituality and gathering together as a Seminary family for the praise and adoration of God and instruction in His Word.

Mission Focus: We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Characteristic Excellence: What we do, we do to the utmost of our abilities and resources as a testimony to the glory of our Lord and Savior Jesus Christ.

Servant Leadership: We follow the model of Jesus and exert leadership and influence through the nurture and encouragement of those around us.

The Core Value Focus for this academic year is *Mission Focus*.

Curriculum Competencies Addressed

NOBTS faculty members realize that all ministers need to develop specific competencies if they are going to have an effective ministry. To increase the likelihood of NOBTS graduates having an effective ministry, the faculty developed a competency-based curriculum after identifying seven essential competencies necessary for effective ministry. All graduates are expected to have at least a minimum level of competency in all of the following seven areas:

Biblical Exposition: To interpret and communicate the Bible accurately.

Christian Theological Heritage: To understand and interpret Christian theological heritage and Baptist polity for the church.

Disciple Making: To stimulate church health through mobilizing the church for missions, evangelism, discipleship, and church growth.

Interpersonal Skills: To perform pastoral care effectively, with skills in communication and conflict management.

Servant Leadership: To serve churches effectively through team ministry.

Spiritual and Character Formation: To provide moral leadership by modeling and mentoring Christian character and devotion.

Worship Leadership: To facilitate worship effectively.

The curriculum competencies addressed in this course are:

1. *Spiritual and Character Formation:* The course affords students structured opportunities to grow personally and to learn to facilitate spiritual and character formation in others.
2. *Biblical Exposition:* The course affords students opportunities to apply sound biblical exposition in the evaluation of theories of vocation, work, career counseling, and lifestyle development.
3. *Servant Leadership:* The course affords students opportunities to learn and apply skills of career counseling and vocational assessment that assist others in finding their best place of work and service, within and outside the church.
4. *Interpersonal Skills:* The course affords students the opportunity to develop their skills in counseling and assessing others in relation to their lifestyle and career issues.
5. *Mission Focus:* We are not here merely to get an education or to give one. We are here to change the world by fulfilling the Great Commission and the Great Commandments through the local church and its ministries.

Students should be prepared to thoroughly discuss the reading material and demonstrate the reading/class assignments in class discussions and assignments. Students will submit an evaluation of their reading in the class.

Course Assignment Evaluation Percentages

Students will be expected to demonstrate that they have read all assigned material by participating actively in class discussions. Students will work in assigned groups to present one chapter summary from the Capuzzi & Stauffer book as an in-class presentation during the semester. Sign-up for these presentations will be in class.

2. Interview / Career Assessment Report / Treatment Plan:

Each student will conduct a multi-meeting career assessment interview with an individual, including administration of selected assessment instruments. The interview and assessment will employ principles from the Miller text. Students will write an 8-10 page formal report and treatment plan based on these interactions. A detailed assignment description will be available in class and on Blackboard.

Course Policies

Reading Assignments

Students are required to read all assigned reading and expected to demonstrate through class discussion.

Professor's Policy on Late Assignments

All work is due on the assigned date in the syllabus. The grade for late assignments will automatically be reduced by 8 points per class period.

Papers & Assignments: All assignments are to be typed in either Times New Roman 12 or Courier 10. Any deviation in this will result in the deduction of points.

Assignments -- electronic submissions where approved -- will be turned in at or before the beginning of the class on the date they are due. Papers of assignments turned in after this time will be considered late. Assignments must be turned in to the professor. The time and date of submission will be noted. No assignments may be submitted by fax or e-mail without prior approval. All counseling students will write papers in accordance to standards set in the APA Publication Manual.

Attendance and class participation: In accordance with NOBTS & department policy, students are expected to attend regularly and punctually all classes in accordance with NOBTS requirements. Class attendance is essential for effective learning. Students will be expected to attend all classes unless prevented by illness or emergency. No student who misses more than the maximum number of hours as prescribed below can receive credit for the course. A grade of "F" will be assigned to students who fail to attend class and meet the minimum number of hours.

Class periods missed because of late enrollment will be counted as absences. Students may not enter after the end of the second week of the beginning of each regular semester. Three occasions of arriving late for a class or leaving early from class will count as one absence. Students should take care to avoid unnecessary absences so that unexpected illness or emergencies will not cause failure in the class. The maximum number of absences without failure for a three-hour classroom course is 9 classroom hours absent. *Since this course meets once per week for three hours, this means the student may miss no more than three class periods.*

Professor's Availability and Assignment Feedback

The student may contact the professor at any time using the email address provided in the course syllabus. The professor will make every effort to return answers to emailed questions within a 24-hour period of time. Assignments requiring grading will be returned to the student within a reasonable period of time. Student feedback on graded assignments will be provided through the grading rubric located in the student's Blackboard Grade Book. The student will find comments in the grading rubric, as well as on graded paper assignments.

Web-based Course Reminder/Warning

Web-based courses are, by nature, a different kind of learning experience than courses taught in the traditional classroom. Because of this structure, this web-based course is more reading and writing intensive than traditional classroom courses. Rigorous study of the deep things of God can be a rewarding experience for anyone who participates in it, but it also calls for extra diligence and integrity in completing the work. This reality does not mean that a web-based course cannot be successful in equipping you, the student, for effective, God-honoring ministry. It simply means utilizing a different strategy. Internet courses allow room for independent learners to thrive—to work at a responsible pace, to engage in student-led discussions, and to take ownership of the learning of course content. Note that your instructors are praying for your success.

Policy for Graduating Seniors

Graduating Seniors are responsible for alerting the professor of your intention to graduate. All of your assignments must be completed by noon (12:00 PM) on the Wednesday prior to commencement exercises.
