Title: The Road to Recovery: Pornography & Sexual Addiction Resources

Description: Pornography & Sexual Addiction are a continuing problem in the United States and around the world, both in and out of the church. Clinicians and pastors will benefit from knowing the various options that are available for treatment for individuals or groups.

Objectives: Participants will:

1. Be able to identify and assess various treatment models.
2. Be able to analyze the strengths and weakness of treatment options.
3. Be able to apply clinical and biblical restoration strategies for recovery and healing.
