

Church Planting Certificate

The purpose of the Church Planting Certificate is to provide training for pastors and church leaders in church planting as well as church revitalization. New Orleans Baptist Theological Seminary offers an 8-hour certificate in Church Planting. Eight one-hour courses will be offered from August through May, with 2 courses meeting each 8-week cycle during this period. Students can earn the Certificate in Church Planting by taking all 8 courses in one academic year, though students are not required to take all 8 courses in one year. In order to apply for the program and register for classes, students must simply attend the first day of class, where they will be provided with the appropriate forms. There is a \$25 application fee and a fee of \$135 for each course that must be paid in full before students can register for or attend courses. Courses are held at

East Bayou Baptist Church
