

# Serve God In California

Tahoe Resort Ministries is a ministry program of First Baptist Church of Tahoe City in Tahoe City, CA. We seek to creatively and compassionately reveal the presence of God to those who live, work, and play in the resort communities surrounding beautiful Lake Tahoe. One way we do this is by providing high quality and affordable childcare for working families in our community. Through our A+ Before and After School Program and A+ Preschool Program we seek to provide safe spaces where children can learn about God's love.

We are currently seeking college students to fill positions each fall and spring semester. We have four positions available for Southern Baptist students and four positions for non-Baptist students each semester.

If you are a student at Auburn University in Alabama or at Shorter College in Georgia you can get 9-12 hours of credit from your school for interning with us. We recently received permission from the University of Alabama for their students to get 6 hours of independent study credits. I would be happy to help you explore the opportunities for you to receive credit hours at your school. We also welcome students who are about to graduate or who have recently graduated. This is a great place to get "hands on" experience and grow in your teaching and life skills.

## What will I be doing?

- 4 ministry interns will work with our A+ Before and After School program (K-6th) and 4 ministry interns will work with our A+ Preschool program (3-5 year olds). Between these two programs we have 80-100 children a day.
- In both programs, the student will lead Bible stories, learning activities, crafts, educational centers, and recreational games.
- As a ministry intern, you will also be required to participate in ministry programs including but not limited to: Sunday church setup/cleanup, Friday evening Parent's Night Out, Ski Ministry (winter semester), and various other outreach projects.

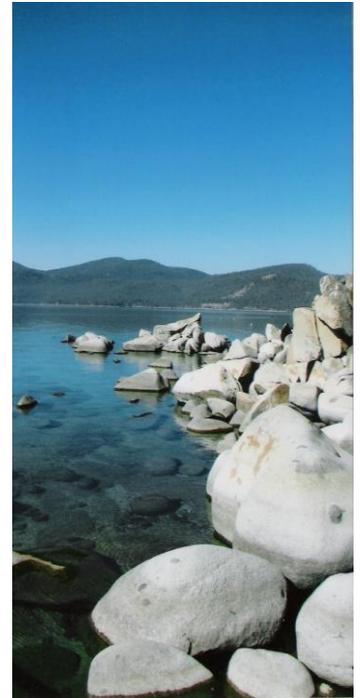

## What's provided?

- Tahoe Resort Ministries and First Baptist Church of Tahoe City will provide: airfare to and from Tahoe, ground transportation, housing, food, and a \$300.00 monthly stipend.
- Ministry interns will be housed in 2 dorm-style rooms at First Baptist Church of Tahoe City.
