Each course is transferable to the undergraduate program of NOTBS, and worth one semester hour.

There are no prerequisites for any of these classes, enrollment is open to any and all who wish to attend. These courses are especially beneficial for those serving in ministry positions that do not have the benefit of formal seminary training, and for lay leaders in the churches that seek to sharpen their skills. The certificate program also serves as an excellent introduction to further theological studies.

Classes meet at East Bayou Baptist Church, 2234 Kaliste Saloom Rd, Lafayette  
in the Education Building, on Mondays from 4-6pm and 6-8pm.
