**Notes:**

1. The two 4x hybrid offerings will be offered from the New Orleans campus, and extension center students will be encouraged to come to campus twice for on-campus credit. Faculty will travel out to the extension center once during the semester. The trips should be well publicized so students can be in the classroom with the teacher as much as possible.
2. The hybrids starting from New Orleans will be offered with four meetings per semester of three hours each. The hybrids starting from the extension centers will be offered with eight meetings per semester of two hours each.
3. This proposal switches Graceville to the T/R cycle Birmingham is on currently and gets rid of the T/R night schedule for NGA.
4. The Clinton Monday and FL cycles should coordinate the MACE classes when possible.
