

The High Point Coordinators will take the lead in implementing and overseeing the summer staff program called “High Point”.

At heart, High Point is small group discipleship. We want our staff to have a great experience in service ministry, but we also encourage each High Point staff person to engage in small group Bible study. Every High point staff person is part of a Covenant Group comprised of 6-8 other staff. Covenant Groups have the opportunity to meet up to two times a week for Bible Study, prayer and fun group activities. Staff also have the opportunity to participate in many other High Point activities like our weekly staff worship time, tournaments and movie nights. High point is truly a program that encourages learning, accountability, spiritual growth and fellowship.

We will hire two coordinators to lead our program this summer. Each coordinator must be able to respond to High Point staff needs at any time during regular on-call times. Married couples are welcome to apply jointly.

The High Point Coordinator will be responsible for:

- Assisting summer staff manager in all aspects of the High Point program
- Coordinate weekly worship times
- At times will speak to the entire staff and lead Bible studies
- Coordinate High Point activities through leading planning teams
- Manage financial details of the High Point program
- Provide supervision and encouragement for the High Point staff
- Mentor Covenant Leaders through the small group process
- Assist in other areas of the conference center operations during heavy guest load times

Compensation: \$325 per week + Room and Board

Dates of Service: May 10th – August 18th

Location: LifeWay Glorieta Conference Center, New Mexico
