NOLA2U-LIVE AND NOLA2U-FLEX

The following courses are being taught weekly on the campus of New Orleans Baptist Theological Seminary/Leavell College. Students can either participate in the class live or the class will be recorded to enable the student to view at a later time. The student is required to watch the classroom video within one week from the day the lecture occurred. If the student is unable to do so, then the student is considered absent for that lecture. Normal classroom attendance policies apply. Thus, a student may not miss more than 9 hours of class time/lecture time. For the "Flex" version, most assignments and information will be provided by means of BlackBoard. The student is not required to view the lectures at the time they are being presented.
