

ON-CAMPUS STUDENTS ONLY

NAME: _____

NOBTS-ID#: _____

CAMPUS ADDRESS: _____

Please check your anticipated housing plan:

- I am graduating and plan to vacate seminary housing. THIS IS NOT YOUR VACATING NOTICE.**

***Students must vacate their housing units within 2 weeks after completion of requirements for graduation. A written vacating notice must be submitted 14 days (dorm students) or 30 days (apartment residents) prior to the afore stated deadline. You must come by the housing office to fill out your vacating form.*

- I am graduating and pursuing another degree; therefore, I wish to continue residing in seminary housing.**

***Should the resident be approved to work on another degree requiring the extension of housing, the student must apply for an extension with the Dean of Students Office. Housing extensions will be considered case by case and with attention to anticipated housing needs and length of previous tenure. Priority for on-campus housing assignments is given to Associate, Bachelor, and Master's-level students in their first degree programs.*
