### AAR International Dissertation Research Grants Program

The International Dissertation Research Grants Program is designed to support AAR student members whose dissertation research requires them to travel outside of the country in which their school or university is located. Grants are intended to help candidates complete their doctoral degrees by offsetting costs of travel, lodging, and other dissertation research-related expenses. Two \$5,000 grants will be given for the 2010-2011 academic year. To be eligible, applicants must have been AAR student members for at least 2 years and must have completed all requirements for the doctoral degree except the dissertation. Applicants must submit a letter of application that describes their research project and how support for on-site research is critical for the completion of their dissertation, current curriculum vitae, proposed budget and project timeline, and letter of support from their dissertation supervisor. For more information and to download the application, please visit the [AAR Web site](#).

### SBHLA Lynn E. May Jr. Study Grant

The Southern Baptist Historical Library and Archives, Council of Seminary Presidents, sponsors a program whereby funds are made available periodically for partial support of research in the Southern Baptist Historical Library and Archives. The grants provide a maximum of \$750. The grants are in memory of Lynn E. May Jr., who served as Executive Director of the Historical Commission from 1971 to 1995 and who has been instrumental in the establishment of the Southern Baptist Historical Library and Archives. Graduate students, college and seminary professors, historians, and other writers may apply for the grants. An application is available for download on the SBHLA [Web site](#). Applications should be submitted to Bill Sumners, SBHLA director, **by April 1, 2011**.
